FALL 2025 LOOKBOOK

IRIT DESIGN

Since 2002, Malibu-based Irit Design has been producing one-of-a-kind and limited edition handmade sterling silver, 18-karat and 10-karat gold jewels. Alive with richly textured, sculptural forms and proprietary patinas, these body-conscious adornments are eye-catching in composition and appealingly chic in their understated, artistically burnished elegance.

Irit Design jewels are worn by such luminaries as Michelle Obama and A-list actors like Jennifer Lawrence, who collected her Best Actress Oscar for *Silver Linings Playbook* wearing Irit's flexible diamond cuff. While Barbra Streisand is also a top customer, the Academy Award-winning actress Halle Berry confided to *U.S. Vogue* how much she loves Irit jewelry. "She is my new favorite thing," Berry explained, "my biggest indulgence of this year." Created to adorn and enhance people as they go from the office to the opera and all points in between, Irit Design jewels are bejeweled chic that transcends time.
